v.)

HEVER SUAREZ, a/k/a "Pizarro,")	
)	
Defendant.)	

I. INTRODUCTION

The United States requests that the Court detain the defendant Hever Suarez, a/k/a "Pizarro," a professional poly-drug dealer who peddles drugs in Oakland and San Francisco, as both a danger to the community and a serious risk of flight.

Pizarro has been dealing drugs since at least late August 2021, when he and his confederate sold an undercover agent about 55 grams of heroin. Over the ensuing months, Pizarro and his confederate continued to sell drugs to the undercover agent during multiple controlled buys, including more heroin in September and October 2021 and two ounces of fentanyl and 600 M30 pills in November 2021.

From there, the DEA went on to intercept the defendant's communications during two separate

wiretap periods, first in February and March 2022 and then in May and June 2022. The defendant's intercepted communications conclusively establish that he was a prolific, professional drug dealer who peddled narcotics, including lethal fentanyl, on a daily basis; he had multiple runners working for him, whom he called "pistoleros," which is Spanish for gunfighter; he helped bring these "pistoleros" from Honduras all the way to the Bay Area; he trafficked in firearms; and he himself carried a firearm, including a Glock pistol with a 30+ round magazine.

The DEA's investigation ultimately culminated in the search of Pizarro's residence and vehicle on Monday, June 6, 2022. In the defendant's vehicle, law enforcement found the following:

- Multiple bags of fentanyl with a gross weight of 628.9 grams (a single pound – that is, 453.592 grams – of fentanyl contains approximately 226,796 lethal doses);¹
- By the defendant's own admission, about 1,300 M30 pills (counterfeit M30 pills in this area usually contain fentanyl – not methamphetamine or any other controlled substance – and according to the DEA, four out of every ten pills that contain fentanyl that the DEA tests contain a potentially lethal dose,² meaning about 520 of the 1,300 seized M30 pills contain a potentially lethal dose);
- Multiple bags of methamphetamine with a gross weight of 119 grams (approximately ¼ pound);
- One bag of heroin with a gross weight of 50.8 grams; and
- Three handguns, including a Glock 23 (.40 caliber), Northern American Arms revolver (.22 caliber), and fully loaded Taurus revolver (.38 caliber).

The following is a photograph of the various drugs and drug trafficking tools of the trade – including the

Additionally, just recently a drug dealer was sentenced for dealing counterfeit M30 pills laced with fentanyl that caused overdoses in two people, killing one. 21 In addition to the defendant’s more recent (and extensive) criminal activity, Pizarro’s
22 immigration history establishes he’s a risk of flight whose appearance cannot be reasonably assured by
23 any conditions. In 2007, he was deported from the United States. In 2017, he was again deported from
24 the United States. Then, in 2018, he was caught in the United States; he was convicted of illegal reentry
25 in violation of 8 U.S.C. § 1326, sentenced to a year and a day in prison and 36 months of supervised
26 release, and deported. Notably, it appears that Pizarro failed to report to probation upon his reentry into
27 the United States (likely because he began selling drugs and guns). The defendant also has various
28 arrests from 2007 and 2008 for DWI, possession of a controlled substance, and aggravated robbery; he

1 was convicted of aggravated robbery in 2009.

2 The United States requests that the Court order the defendant detained pending trial on the basis
3 that he is a danger to the community and risk of flight.

4 **II. BACKGROUND**

5 Pizarro is a professional drug dealer who sells predominantly fentanyl, heroin, and
6 methamphetamine. Further, wiretap intercepts – many of which are set forth below – establish he is a
7 professional motivated by money, not any addiction.

8 Pizarro entered law enforcement’s radar in August of 2021, when he and his confederate sold
9 drugs to an undercover agent. As referenced above and in the above-captioned complaint, Pizarro and
10 his confederate sold the following to the undercover agent on the following occasions:

- 11 - August 31, 2021: 55 grams of heroin. *See* Complaint, ¶¶ 8-29.
- 12 - September 16, 2021: about 17 grams of heroin. *See id.*, ¶¶ 33-40.
- 13 - October 15, 2021: 30 grams of black tar heroin. *See id.*, ¶¶ 41-54. Following the transaction,
14 Pizarro spoke with the undercover agent and asked the agent when the agent would want
15 more drugs so that Pizarro could have the order prepared beforehand. *Id.*, ¶ 54.
- 16 - November 3, 2021: two ounces of fentanyl and 600 M30 pills from Pizarro’s confederate.
17 *Id.*, ¶¶ 55-59. Two ounces of fentanyl contain approximately 28,350 potentially lethal doses
18 (two ounces equates to 56,699 milligrams, and two milligrams of fentanyl is considered
19 lethal). Based on the DEA’s experience with testing fentanyl, about 240 of the counterfeit
20 M30 pills likely contain a potentially lethal dose. *See* Footnotes 1 and 2.

21 Following these transactions, the undercover agent continued to speak with Pizarro about drugs. *See*,
22 *e.g.*, Complaint, ¶¶ 61-62 (describing a drug-related conversation on November 11, 2021).

23 Several months later, in February and March 2022, the DEA intercepted Pizarro’s
24 communications. The DEA learned the following, among other things:
25 Pizarro was a prolific drug dealer who, on a daily basis, distributed fentanyl; that Pizarro had
26 individuals, whom he called “pistoleros,” which is Spanish for gunfighter, working to distribute drugs
27 for him; Pizarro was also in the business of selling guns; and Pizarro himself carried a firearm, including
28 a Glock with a 30+ round magazine.

For instance, on February 27, 2022, Pizarro was captured discussing the acquisition and price of various types of fentanyl, including “yellow” and “rainbow.” During the call, Pizarro told his supplier to hurry up as he had two orders (for drugs). A summary of the call follows:

UM7338 to PIZARRO

[Aside: PIZARRO heard talking to a third party saying they (third party and PIZARRO) would keep in touch.]

Parties greeted. PIZARRO referred to UM7338 as “cuñado” (brother in law/friend). UM7338 told PIZARRO to go ahead. PIZARRO told UM7338 to bring him (PIZARRO)... [Thought not finished by PIZARRO] [Aside: PIZARRO told third party alright and that they (PIZARRO and third party) could keep in touch.] PIZARRO said it was 36 and asked UM7338 to bring him (PIZARRO) 14, 1/2 yellow and the rest in colors. UM7338 asked how many of the “rainbow” (possibly narcotics) he (UM7338) should bring and if 4 was fine. PIZARRO said 5 of “rainbow” (possibly narcotics) because people were asking for it (possibly narcotics). UM7338 asked if PIZARRO lived by the apartments on [U/I]. PIZARRO said it was on Coolidge. UM7338 said he (UM7338) was going to bring him (PIZARRO) that and would call him (PIZARRO) when he (UM7338) was near by. PIZARRO told UM7338 to hurry up so he (PIZARRO) could leave right away, because he (PIZARRO) had (to take) two orders over there to the “bandas” (possibly location in San Francisco, CA). UM7338 said okay. EOC

During another call on February 27, 2022, he discussed one of his “worker[s]” as follows:

PIZARRO to [REDACTED]

PIZARRO said he (PIZARRO) received the package already. [REDACTED] asked if PIZARRO did already. PIZARRO said yes, and told [REDACTED] that he (PIZARRO) had gone to San Francisco already and... [U/I] to the first worker so that he (worker) could get on it. PIZARRO said that the way they (PIZARRO and others) were going to work was that as soon as the money would start coming out, PIZARRO would call [REDACTED] so he (PIZARRO) could start making payments. [REDACTED] said alright. PIZARRO told [REDACTED] not to forget about the thing PIZARRO told ISMAEL that was for up there. [REDACTED] said yes and told PIZARRO that he [REDACTED] would call him (PIZARRO) to let him (PIZARRO) know. EOC

In yet another call from February 27, Pizarro talked about the various colors of fentanyl (rainbow, organze, purple, pink, yellow, fire, and green) he had available for sale, as follows:

PIZARRO to UM1718

PIZARRO asked UM1718 how things were. UM1718 said he (UM1718) was eating right now. UM1718 said he (UM1718) had gone there early and it was pretty calm all day. PIZARRO said he (PIZARRO) just wanted to let UM1718 know that PIZARRO stopped (working) with this (possibly narcotics), with the “horrible” thing (possibly narcotics). UM1718 asked PIZARRO what he (PIZARRO) had then. PIZARRO said he (PIZARRO) did not have any of the “blue” kind, but he (PIZARRO) had “rainbow, orange, purple, pink, yellow, fire and green.” UM1718 said he (UM1718) would call PIZARRO back [U/I] tomorrow and would let third party know to cancel the... [thought was not finished by UM1718] UM1718 asked if PIZARRO had any “Crico” (possibly narcotics). PIZARRO said he (PIZARRO) had not gotten any “Crico” (possibly narcotics) because it (possibly narcotics) was expensive. PIZARRO said he (PIZARRO) would like (some) because this was some “new work” (possibly narcotics). PIZARRO said he (PIZARRO) had mentioned it to UM1718 that he (PIZARRO) was working with new people and the only thing was that he (PIZARRO) could only give this “work” (possibly narcotics) for 3 days, because PIZARRO had to get this people first. PIZARRO told UM1718 that he (PIZARRO) was talking about some excellent “work” (possibly narcotics). UM1718 said 3 days was fine. PIZARRO said it (possibly narcotics) was nothing but [U/I] and pretty hard, and no one would complain to UM1718 about it (possibly narcotics). UM1718 said they (PIZARRO and UM1718) could talk tomorrow then. PIZARRO said okay. EOC

Also on February 27, Pizarro was captured discussing his drug “business,” and how his little brother who had just come from Honduras did not understand how the business worked. Pizarro was also captured discussing the six phone numbers he was using (to deal drugs):

PIZARRO to UM5642

PIZARRO asked if UM5642 remembered him (PIZARRO). PIZARRO told UM5642 that PIZARRO's little brother used to fuck with him (UM5642) and that PIZARRO had met him (UM5642) at the park last time. UM5642 said yes and asked PIZARRO what was up. PIZARRO said (PIZARRO) was just chilling and told UM5642 that after PIZARRO's brother got into some dumb shit, PIZARRO told him (PIZARRO's brother) how the business was supposed to go. UM5642 said he (UM5642) got somebody that he (UM5642) was fucking with right now and UM5642 was paying 350 each one and it was [U/I]. UM5642 said he (UM5642) got the "rainbow" like the one he (PIZARRO) showed him (UM5642) in the pictures. PIZARRO said he (PIZARRO) was going to give it (possibly narcotics) to him (UM5642) for \$3. UM5642 said he (UM5642) could not do business like PIZARRO's little brother was doing. PIZARRO told UM5642 that he (PIZARRO) had been here most of his (PIZARRO's) life and his (PIZARRO's) little brother had barely come from Honduras and did not understand how things (business) work. UM5642 said okay. PIZARRO said he (PIZARRO's brother) had barely gotten to the house and PIZARRO asked him (PIZARRO's brother) what had happened with PIZARRO's old boy and he (PIZARRO's brother) told him (PIZARRO) that somebody else had gotten him (UM5642). PIZARRO said he (PIZARRO) told his (PIZARRO's) brother that he (PIZARRO's brother) was a fucking dumbass because PIZARRO had already told him (PIZARRO's brother) that they (PIZARRO and others) were going to take care of his (PIZARRO's) old man real good.

UM5642 said he (PIZARRO's brother) made UM5642 feel so uncomfortable doing some stupid shit. UM5642 said he (PIZARRO's brother) had UM5642 go see other people and other shit. UM5642 said he (PIZARRO's brother) was trading his (PIZARRO's) brother stuff to somebody else so that [U/I] get something that he (UM5642) wanted. PIZARRO said he (PIZARRO) got him (UM5642) and would give it (rainbow, possibly narcotics) to him (UM5642) for 3 dollars. UM5642 said he (UM5642) understood but it was very bad. PIZARRO said he (PIZARRO's brother) had been here for 9 months because he (PIZARRO's brother) was in Honduras before fucking it up. PIZARRO said he (PIZARRO) wanted to know what had happened with UM5642 and asked him (PIZARRO's brother) for UM5642's number, but he (PIZARRO's brother) did not want to give it (UM5642's number) to him (PIZARRO). PIZARRO said he (PIZARRO) wanted to take care of him (UM5642) and remember that last time he (UM5642) wanted to get some straight [U/I] and PIZARRO was going to have some of the but it was going to be more expensive. UM5642 said okay. PIZARRO told UM5642 to trust him (PIZARRO) because they (PIZARRO and UM5642) were going to make some money. UM5642 said he (UM5642) would probably see him (PIZARRO) tomorrow. UM5642 said he (UM5642) got some money coming in tomorrow and would get 10 of them (possibly narcotics). PIZARRO said that if UM56742 got 10, he (PIZARRO) would give him (UM2613) an extra half of any kind of color (possibly narcotics) he (UM5642) would want. UM5642 said okay

UM5642 said he (UM5642) asked him (PIZARRO's brother) about him (PIZARRO) and he (PIZARRO's brother) would say that he (PIZARRO) would be out of shit (possibly narcotics). UM56742 said that he (PIZARRO's brother) told him (UM5642) PIZARRO did not have any more of that "blue" (possibly narcotics) and people loved that shit. PIZARRO said he (PIZARRO) was not working with that dude (possibly third party PIZARRO was getting "blue" from) right now but could get it (blue, possibly narcotics) too. UM5642 said okay. PIZARRO said he (PIZARRO) had sent UM2613 a picture and now he (UM2613) knew he (PIZARRO) was not fucking around. UM2613 said yeah. PIZARRO said he (PIZARRO) got another (phone) number and was going to text or call UM5642 tomorrow. PIZARRO said he (PIZARRO) had six other (phone) numbers, so would call UM2613 from another one of his (PIZARRO's) (phone) numbers in case PIZARRO did not answer this one. UM5642 said he (UM5642) also had another number and would give it to PIZARRO. PIZARRO told UM2613 to send him (PIZARRO) a text and said he (PIZARRO) was going to take care of UM5642 real good and he (UM5642) was going to like it. Parties bid farewells. EOC

In a call from March 2, 2022, Pizarro was caught talking to an individual about how an associate – most likely Pizarro's brother, because the day before, on March 1, 2022, Pizarro was captured saying his brother got caught with a “cuete,” i.e., gun (TT2, Intercept No. 248) – had been caught with a gun and how the cops were going to test it to determine if anyone had been killed with the gun. During the same call, Pizarro recognized the seriousness of being caught with a gun.

PIZARRO to UF1616 (Mom)

UF1616 greeted PIZARRO as son and said the call was cutting in and out. PIZARRO said that was because there was poor signal and said that was the reason he (PIZARRO) called normal (possibly landline vs a mobile app). PIZARRO asked how he (PIZARRO) was supposed to look for him (Colocho). PIZARRO said this (USA) was not Honduras and would not be able to get information just by the name Colocho. UF1616 said she (UF1616) did not where he (Colocho) was taken to. PIZARRO said he (Colocho) would not be taken anywhere, he (Colocho) was there. PIZARRO said he (PIZARRO) passed everyday by the jail where he (Colocho) was (locked up). UF1616 asked why PIZARRO did not go ask. PIZARRO said because they (cops) would tell him (PIZARRO) to go join him (Colocho). PIZARRO said his (PIZARRO) wife could go ask, but who would they (PIZARRO and wife) ask for, if for Colocho. PIZARRO said there was way too many people named Colocho. UF1616 said yeah. PIZARRO said they (PIZARRO and wife) could not go ask for the guy who was [U/I]. UF1616 said they (UF1616 and PIZARRO) would wait then to see if he (Colocho) reached out to her (UF1616). PIZARRO said he (Colocho) had to call UF1616 and said everything was a process. PIZARRO said he (Colocho) would have to get in touch with UF1616 or with him (PIZARRO). PIZARRO said he (Colocho) had been arrested with a gun and that gun was most likely getting tested and everything to find out if anyone had been killed with it (gun). UF1616 asked if he (Colocho) was arrested with a gun then. (Aside: UF1616 asked if a call was coming in, because there was a dial tone.) UF1616 asked if he (Colocho) had been arrested with a gun. PIZARRO said yes, with a "cuete" (firework/possibly gun). UF1616 said hopefully no one was killed with that gun. PIZARRO said hopefully, if not he (Colocho) would be screwed.

PIZARRO said the famous Catalino was locked up there (jail) as well, for the same thing. PIZARRO said there were 4 guys who had been locked up there (jail) for 2-3 weeks for the same thing, for gun (possession). PIZARRO said that (gun possession) was something serious. UF1616 said okay, they (UF1616 and others) would see what happened then and if anything she (UF1616) would let PIZARRO know once he (Colocho) called. PIZARRO said [U/I] would add money to the phone, because the account only had 229 balance. UF1616 said she (UF1616) had not noticed (how much balance was left). UF1616 said she (UF1616) could go add 8 pesos to it (phone balance). PIZARRO said no way. UF1616 said if they (PIZARRO and others) were able to get the money that her (UF1616) son (possibly Colocho) had sent her (UF1616) ... [thought not finished by UF1616] PIZARRO said he (PIZARRO) was going to send Moco to go and do that errand. PIZARRO said he (PIZARRO) had the receipt (possibly for money transfer) there. PIZARRO said he (PIZARRO) had that guy's ID and would send Moco later to go and cash that (possibly money transfer). UF1616 said yes, because she (UF1616) needed that money. PIZARRO said he (PIZARRO) would send Moco to go and cash it (possibly money transfer). UF1616 said okay and said she (UF1616) was getting another call and would talk to PIZARRO later. PIZARRO said okay.

In another call from March 2, 2022, Pizarro was captured trying to sell firearms, including a Smith and Wesson, and ammunition. Significantly, Pizarro described one of the guns as “just like the one [Pizarro] carried” (emphasis added). The following is a summary of the call:

UM4076 to PIZARRO

UM4076 asked how much PIZARRO wanted for the 3 (40,9 and 38 revolver). PIZARRO said the 40 had 2 magazines full of bullets, plus 2 boxes of bullets and for that one (40) they (third party) were asking 1,500. PIZARRO said that was a good price because it was a Smith and Wesson. UM4076 said that one was cool. PIZARRO said the guy (third party) was asking 1,500 for it (40 caliber). PIZARRO said he (PIZARRO) was there with some friends that were Filipino. PIZARRO said the other one (possibly 9 caliber) had 2 magazines, plus 1 magazine and were asking for another 1,500. UM4076 asked if the [U/I]. PIZARRO said yes, it (possibly 9 caliber) had 3 magazines and was just like the one PIZARRO carried. PIZARRO said it was a Glock as well and had 3 magazines. PIZARRO said for the 38 (revolver) they (third parties) were asking “milagro” (miracle/possibly 1,000) because it was full of bullets. PIZARRO said they (third parties) wanted 4 bucks (possibly 4,000) for everything. UM4076 said okay, he (UM4076) would give PIZARRO a call back in about 2 minutes. PIZARRO said okay, he (PIZARRO) would be waiting. UM4076 said okay.

On March 6, 2022, Pizarro was intercepted saying that he had just come back from picking up the “cuete” – which, law enforcement learned from other intercepted calls, is Pizarro’s code for firearm – and discussing how an individual was looking for heroin (“night”), as follows:

Pertinent	390	(510) 695-6803	03/06/2022	18:23:34	00:04:17	Incoming	(415) 528-9420	Yesica CARILLO

CARILLO TO PIZARRO

CARILLO asked what PIZARRO was doing. PIZARRO said he (PIZARRO) had just come back from picking up the “cuete” [fireworks/possibly firearm]. PIZARRO said he (PIZARRO) was with this dude and that he (dude) was telling PIZARRO that he (dude) was doing some other business [U/I]. [Background: music] PIZARRO said the dude was looking for some night (possibly narcotics) or something. CARILLO asked for clarification and asked what that (night) was. PIZARRO said the the dark one, the black one (possibly narcotics).

PIZARRO said he had about 4 full bags (possibly narcotics) on him (PIZARRO). CARILLO said, oh really. PIZARRO said a bunch of 1/4's (possibly quarter ounces, possibly narcotics).

That same day, Pizarro complained about needing an 1/8 of “feno” (in the drug world, an 1/8 is an eighth of an ounce, which equates to 3.5 grams or 3,500 milligrams; in total, this would contain 1,750 potentially lethal doses of fentanyl). Pizarro also asked about “perico,” which is commonly used as code for “cocaine,” and whether the caller knew if anyone wanted some “cuetes” (guns). Pizarro said he had a .45 caliber firearm with two “chargers” (magazines), two boxes of bullets, and a Glock (likely a nine millimeter). Pizarro also said he had a 33 clip – likely for the Glock. In fact, a 33-round magazine – which is illegal under California law – is made for Glock. A summary of the call follows:

PIZARRO to UM4840

PIZARRO complained and said he (PIZARRO) needed an 1/8 of Feno (possibly narcotics) to give him (PIZARRO) a pick him (PIZARRO) up. PIZARRO said he (PIZARRO) was fucked and asked for UM4840's help. UM4840 said sure, but would not have that made (possibly narcotics) until tomorrow. PIZARRO said he (PIZARRO) could not believe that. UM4840 said he (UM4840) only had some of the colored ones (possibly narcotics). PIZARRO id'd UM4840 as GORDO and asked him (UM4840) where he (PIZARRO) could get a 1/4 of “perico” (parrot, possibly cocaine). UM4840 said Guaracho [PH] would be the only one (who might have it). PIZARRO asked UM4840 for Guaracho's number and told UM4840 that he (PIZARRO) really appreciate it, since he (PIZARRO) was barely starting. UM4840 said okay. PIZARRO asked UM4840 to get him (PIZARRO) the number because he (PIZARRO) needed 1/4 for a [U/I] he (PIZARRO) had. UM4840 was going to send it (Guaracho's number) to him (PIZARRO).

PIZARRO asked if he (UM4840) knew anyone who wanted some “cuetes” (fireworks, possibly guns). UM4840 asked what kind. PIZARRO said he (PIZARRO) had a 45 with 2 chargers (possibly magazines), 2 box of bullets, a 9 Glock with a 33 clip (possibly 33-round) and two 12 clip (possibly 12--round). UM4840 was going to find out shortly. PIZARRO said to send him (PIZARRO) the (Guaracho's) number because he (PIZARRO) needed it (possibly narcotics). UM4840 said he (UM4840) would send it (Guaracho's number) right away. EOC

Another call from March 6 conclusively establishes that Pizarro was selling firearms and magazines (“chargers”), and that he himself had a Glock with a magazine that could hold more than 30 rounds:

UM5166 to PIZARRO

Parties greeted. PIZARRO asked where UM5166 was. UM5166 said they (UM5166 and others) were by Irapuato (Guanajuato, Mexico). PIZARRO said okay and asked if they (UM5166 and others) were waiting for the train under the bridge. UM5166 said yes, by the bridge. PIZARRO said UM5166 had to get the train there, a little further up. PIZARRO said if the "garroteros" showed up, they (garroteros) would be looking for the gangsters that stole from the train. PIZARRO said if that happened for UM5166 to say they (UM516 and others) were catrachos (people from Honduras) and show UM5166's identity. PIZARRO said that way they (UM5166 and others) did not get into any problems. PIZARRO said there was only one spot after Irapuato where those guys (gangsters) could get on (the train). UM5166 said okay. PIZARRO said if the gangsters got on the train to steal, then for UM5166 to pretend he (UM5166) did not see anything and turn the other way. PIZARRO said UM5166 would be arriving to Guadalajara (Mexico) from there (Irapuato). UM5166 said okay, and said they (UM5166 and others) were waiting there for the train to come. PIZARRO asked if Mauro was there as well. UM5166 said yes. PIZARRO said they (UM5166 and others) had to go through Algodones (Baja California, Mexico). UM5166 said okay. PIZARRO said once there (Algodones) ... [thought not finished by PIZARRO] PIZARRO said if they (UM5166 and others) got stuck somewhere, PIZARRO could send them (UM5166 and others) like 50 bucks for food, in case they (UM5166 and others) did not have (money) for food. PIZARRO said once UM5166 got to Guadalajara (Jalisco, Mexico) he (UM5166) would go to the FM4, which was the immigration house. PIZARRO said UM5166 would change there (FM4), get blankets, and food. PIZARRO said once UM5166 left there (FM4), the train would take off in a flash, but there was a little town by the train tracks where a whole bunch of gangsters hung out at. PIZARRO said it (town) was called Pueblo Quieto (Guadalajara, Jalisco, Mexico). PIZARRO said those dudes (gangsters) were Sureños 13, but would not say anything. PIZARRO said they (gangsters) would just charge them (UM5166 and others) to stop the train, because they (UM5166 and others) would not be able to get on that train, because it passed by way too fast. PIZARRO said there was a fat gangster and said he (PIZARRO) had friends there and told UM5166 not to worry. PIZARRO said they (UM5166 and gangsters) would come to an agreement there.

PIZARRO asked how many people UM5166 was with. UM5166 said they (UM5166 and others) were 6 (total). PIZARRO asked if everyone was headed to the same place. UM5166 said yes, everyone to Algodones (Baja California). PIZARRO said Mamo was already on the 86, Mamo would be in Phoenix in 2-3 days because he (Mamo) had already passed the 86 in Tucson, Arizona. UM5166 said that was good. PIZARRO said Mamo was doing good. PIZARRO said he (PIZARRO) could have sent them (UM5166 and others) that way (possibly through Tucson), but the thing was that 3,500 dollars were needed there (Tucson, Arizona). UM5166 asked what about over by [U/I]. PIZARRO said by Algodones it was risky, and UM5166 could either make it or not. PIZARRO said they (PIZARRO and UM5166) would see what happened. PIZARRO said it was up to UM5166, which way (route) he (UM5166) wanted to take. PIZARRO said Mamo had paid 3 bucks, but he (PIZARRO) had not made anything off it, but he (Mamo) was more secure because he (Mamo) had a guide (possibly people smuggler). UM5166 asked if there, by [U/I]. PIZARRO repeated Mamo was on the 86, waiting to get food. PIZARRO said they (PIZARRO and UM5166) could try and get a group, but was not sure if the others (UM5166 was with) would have the hook up (possibly money) to go with the guide (possibly people smuggler) that he (PIZARRO) had. UM5166 said yeah, they (UM5166 and PIZARRO) did not know if the others had the hook up (possibly money). PIZARRO said that was the problem.

because he (PIZARRO) would be able to help UM5166 and UM5166 would go up there. UM5166 asked if up there where [U/I]. PIZARRO said they (PIZARRO and UM5166) would have to pay the mafia [PH] over there as well, by Algodones, but was not sure how much was being charged. PIZARRO told UM5166 to concentrate on getting to the border first. PIZARRO said from Guadalajara (Jalisco, Mexico), UM5166 would arrive to Tepic, Nayarit (Mexico), and from Tepic to Mazatlan (Sinaloa, Mexico), Culiacan (Sinaloa, Mexico), Sufrajio (Sinaloa, Mexico), Mochis, Sinaloa and all of that up there. PIZARRO said once UM5166 got to Mazatlan ... [thought not finished by PIZARRO] PIZARRO said if the train did not leave soon, he (PIZARRO) would send a buddy to UM5166 there (Mazatlan). PIZARRO said he (PIZARRO) would send a buddy some money so he (buddy) could take some money to UM5166. UM5166 said okay, and said this was his (UM5166) number. PIZARRO asked UM5166 to text him (PIZARRO) via WhatsApp because he (PIZARRO) could not make calls to Mexico. PIZARRO told UM5166 to always be careful because that train was no joke and referred to UM5166 as Chuchito [PH]. UM5166 said okay. PIZARRO said that train could kill (people) in seconds. PIZARRO said UM5166 had to get on it (train) and go inside it (train). PIZARRO said UM5166 should not be getting on and off. PIZARRO said UM5166 had to get on it (train), get his (UM5166) food and always be on it and alert because that train went fast. UM5166 said yeah.

UM5166 said they (UM5166 and others) had gotten on a train over in Apizaco (possibly Puebla, Mexico) all the way to there (Irapuato). PIZARRO said he (PIZARRO) did not know which train UM5166 was going to get onto right now, but if UM5166 got on the Intermodal (train), the Intermodal would go fast all the way to Caborca (Sonora, Mexico). PIZARRO said it (Intermodal train) would only stop 5 minutes at each (train) station and would take off. PIZARRO said he (PIZARRO) had gotten onto the Intermodal (train) when he (PIZARRO) brought Peto over (to USA) and had gotten it (Intermodal train) from Tepic, Nayarit (Mexico) and had stopped at Hermosillo (Sonora, Mexico). PIZARRO said he (PIZARRO) had gone without no food or water because that fucking train (Intermodal) had not stopped (for longer). UM5166 said [U/I] like that yesterday, without eating, until they (UM5166 and others) arrived there (Irapuato). PIZARRO said everything had grown [U/I] and told UM5166 to tell Tavo [PH] not to worry and told UM5166 if him (UM5166) and all the other people to pray to God and all saints. UM5166 said yeah.

PIZARRO said from Mazatlan, after arriving to Culiacan, a "chele" (person of white skin per Urban dictionary) was going to get on (the train) with a "cuete" (firework/possibly gun). PIZARRO said he (chele) was a security guard and would be taking care of the train. PIZARRO said if there were any problems, and if he (chele) said anything to UM5166, then to tell him (chele) his (UM5166) cousin had passed by there [U/I] Tatadoo (tattooed, PIZARRO's nickname). PIZARRO said [U/I] as a last resort. PIZARRO said those guys were friends. UM5166 said yes and asked [U/I]. PIZARRO said UM5166 did not have to say he (UM5166) was Tatadoo's cousin if everything was going well. PIZARRO said it was only as a last resort. UM5166 said okay and asked in which place (city) would that guy (chele) get on it (train). PIZARRO said he (chele) was not a gangster, but was in the mafia. PIZARRO said he (chele) worked there as a security guard, watching over the trains, but was in the mafia. PIZARRO said he (chele) was a light skin tall guy. PIZARRO said he (chele) looked like from immigration because he (chele) was well built, had brown pants and had 2 "cuetes" on the side. PIZARRO said that guy was the one who got the thieves off the train. PIZARRO said it was all good, they (UM5166 and others) just had to say they (UM5166 and others) were immigrants. PIZARRO said if UM5166 had money, for UM5166 to roll it (money) up and put it (money) inside the mouth every time [U/I]. PIZARRO said if not, well camouflaged. PIZARRO said for UM5166 to let him (PIZARRO) know once UM5166 arrived to Mazatlan, because if his (PIZARRO's) buddy was there in Mazatlan, he (PIZARRO) would send him (buddy) 100 bucks so he (buddy) could go take them (UM5166 and others) 50 bucks. PIZARRO said he (buddy) lived there next to the train (tracks). UM5166 asked if there in Mazatlan. PIZARRO said in Sinaloa. UM5166 said okay. Parties said their goodbyes.

UM4224 said if he (UM4224) ever told PIZARRO to sell to a guy (customer) and he (PIZARRO) did not trust the person, then he (PIZARRO) should not sell to them (customer) and asked if PIZARRO understood. PIZARRO said yes. UM4224 said that was why [U/I], because they (third party) had a lot of work and wanted to sell to the "Mara" (other gangs) and the "Papa" as well. UM4224 said sometimes that (possibly getting caught) happened for being so greedy. PIZARRO said he (PIZARRO) was not like that, since the only thing he (PIZARRO) wanted to do was give the guy (fourth party) the 1/2 (half) and [U/I]. PIZARRO said he (PIZARRO) was not like them (UM4224 and others) by being there everyday, so he (PIZARRO) did not know the people. PIZARRO said he (PIZARRO) could have gotten stopped for 20 pesos and they (possibly law enforcement) would have found him (PIZARRO) with all that other stuff. Parties greeted. JOEL asked if PIZARRO was busy working. PIZARRO said he (PIZARRO) was on his (PIZARRO) way back from to Los Angeles (California). PIZARRO said he (PIZARRO) had gone to pick up some dudes (third parties). JOEL asked if really, PIZARRO said yes and asked what was up. JOEL said all was good. PIZARRO said he (PIZARRO) had not arrived to Los Angeles (California) yet. JOEL said okay. PIZARRO asked what was up with JOEL. JOEL said nothing, he (JOEL) was just there. JOEL asked if PIZARRO had gone to pick up the guys that were traveling (crossing the border) with Cheche. PIZARRO said yes. JOEL asked if those guys (Che Che and others) had come across already, PIZARRO said yes. JOEL said that was very fast. UF3131 to PIZARRO

UF3131 said they (UF3131 and others) were on the road and asked if the person picking them (2 people crossing the border) up would have the other 1,000. PIZARRO said yes and said UF3131 was going to take them (2 people who crossed the border) to the same spot where she (UF3131) had taken the last (3 people). UF3131 said that was her (UF3131) her (UF3131) sister and Ernie. [Aside: PIZARRO said he (PIZARRO) needed the address to where the dude was going to be dropped off. UM said over in (U/1).] PIZARRO said he (PIZARRO) would send UF3131 the address. UF3131 said okay and asked if they (person picking people up) would have the other money. PIZARRO said they (person picking people up) would have the 1,000 dollars. PIZARRO said they (PIZARRO and UF3131) had that shit on lock already. PIZARRO said he (PIZARRO) told UF3131 they (PIZARRO and UF3131) were going to make money. UF3131 said yeah. PIZARRO said just between him (PIZARRO) and UF3131, nobody else. PIZARRO said this phone number was going to be cut off because he (PIZARRO) had been working a lot with it already. PIZARRO told UF3131 to call him (PIZARRO) on the other one, on the 707. PIZARRO said if not, he (PIZARRO) would call UF3131 from his (PIZARRO) new number. PIZARRO said he (PIZARRO) was probably going to shut it (TT2 number) down after today. UF3131 said she (UF3131) had forgotten to switch it over to the 707 (number), but would do that right now. PIZARRO said he (PIZARRO) was about to send UF3131 a picture right now of the address. UF3131 said okay. PIZARRO told UF3131 to be safe. UF3131 said okay.

In May and June 2022, the DEA intercepted Pizarro’s communications during a second wiretap period. Like the first wiretap period, Pizarro spent the entire second period dealing drugs. For instance, on May 11, 2022, Pizarro received a request for “20” of “cri,” which is likely code for methamphetamine, and on May 14, 2022, he asked an individual to bring him “1 ½” (although the recipient of the request said he had only “1 and 2 little bars” and there was “no more cooked” – when drug dealers cut or prepare their product, sometimes they refer to it as cooking). On May 17, 2022, Pizarro was captured requesting half a pound of methamphetamine (“crystal”), and in another communication from the same day, he was captured requesting nine ounces of cocaine which he would then provide to individuals who were coming over from Florida. Additionally, on May 30, Pizarro took another order of narcotics – fentanyl (“yellow”) and heroin (“chiva”) – but explained that the heroin was not yet ready for street distribution because it was in powder form. Summaries of the intercepted communications follow:

It was also clear that Pizarro was using other individuals – whom he called “pistoleros” – to help him distribute drugs. For instance, on May 12, 2022, Pizarro was caught stating that he had some pistoleros ready to work, and that he (Pizarro) had some good ones. In a call from the following day

(May 13), Pizarro told his associate he was going to have a pistolero drive for him. Later, on May 16, Pizarro was captured requesting drugs from someone and stating that he needed one of the halves now; thirty minutes later, Pizarro told the same person that he was working (i.e., dealing drugs) and so would send a pistolero. Additionally, on May 18, 2022, Pizarro said things went “downhill” and it was “fucked,” because they – referring to the “pistoleros” – got caught on the street; in the same call, Pizarro said he wanted only one half (a unit of narcotics). PIZARRO asked if YUYO was out on the street. YUYO said yeah. PIZARRO said he (YUYO) was not going to believe how [U/I]. YUYO asked if it (location) was hot (possibly with law enforcement). PIZARRO said he (YUYO) was not going to believe how exaggerated it (situation) was. YUYO said he (YUYO) was by [U/I]. PIZARRO said the [U/I] were there to catch and [U/I]. [Aside: PIZARRO told UM he (third party) would have the “glass” in 20 minutes [U/I]. UM asked if in 20 minutes. PIZARRO said yes, and told UM they (UM and others) could wait, otherwise it was no problem. UM said [U/I]. YUYO said he (YUYO) was going to head back. PIZARRO said he (PIZARRO) was honestly telling him (YUYO) that [U/I] an everyone got out. PIZARRO told YUYO that they (PIZARRO and others) were on Ellis smoking with some dude when [U/I] and the guys were there when he (PIZARRO) noticed the “papas” (possibly law enforcement) approaching, so he (PIZARRO) told the guys the “chocha” (possibly law enforcement) was coming. PIZARRO said [U/I] and before he (PIZARRO) knew it they (possibly law enforcement) jump on them (PIZARRO and others) and they (possibly law enforcement) got very close to caught them. PIZARRO said he (PIZARRO) was walking out of there like he (PIZARRO) was minding his own business when the badge (possibly law enforcement car) went right by him (PIZARRO) and crossed his (PIZARRO’s) path once he (PIZARRO) was already by [U/I]. PIZARRO said all he (PIZARRO) could do was close his eyes and pray to God, because for sure he (PIZARRO) thought the badge (possibly law enforcement car) was going to take him (PIZARRO) in. PIZARRO said but he (possibly law enforcement) only went right passed him (PIZARRO) and turn the (siren) lights on and [U/I] running [U/I] 3 badges (possibly law enforcement cars). PIZARRO said he (PIZARRO) was walking and [U/I]. YUYO said fucked that he (YUYO) was just going to go back. YUYO thanked PIZARRO for letting him (YUYO) know. PIZARRO said he (PIZARRO) was just letting him (YUYO) know because of how it (situation) was. YUYO said he (YUYO) was going to go back and instead was going to throw in his sandal and send his (YUYO’s) clothes to the lady (possibly to do laundry). PIZARRO said they (PIZARRO and YUYO) could go in the [U/I] and he (PIZARRO) would take him (YUYO) over there (to the lady), and that way he (PIZARRO) would buy some for his (PIZARRO’s) mom and send it. YUYO asked if PIZARRO was on his way already. PIZARRO said he (PIZARRO) was at home because he (PIZARRO) got spooked. YUYO said he (YUYO) was going to head back and would wait for PIZARRO at the house, because he (YUYO) was going to arrive there (house) first. PIZARRO said he (PIZARRO) was at the house already. PIZARRO said he (PIZARRO) was carrying a bunch of [U/I]. YUYO said he (YUYO) was going to head back and be there (house) shortly. PIZARRO said he (PIZARRO) almost got screwed [U/I] because he (PIZARRO) was carrying 22 (possibly narcotic units). YUYO said dang. PIZARRO laughed, and said he (PIZARRO) would wait for him (YUYO) there (house) so they (PIZARRO and YUYO) could go take care of that and [U/I] the car. YUYO said alright.

1 Towards the end of the second wiretap period, on June 1, 2022, Pizarro was captured stating he
 2 was working with “federico” (likely fentanyl) and M30 pills (which in this area are laced with fentanyl),
 3 and in fact, just five days later, Pizarro was caught with a significant amount of fentanyl and M30 pills:

 6 PIZARRO told TIMBO he (PIZARRO) was working with "Federico" (possibly Fentanyl) and M30 pills (possibly narcotics). TIMBO asked if PIZARRO had
 7 plenty (possibly narcotics), and PIZARRO said he (PIZARRO) did. TIMBO asked what about "Federico" (possibly fentanyl) PIZARRO said he
 8 (PIZARRO) had all kind of colors of "Federico" (possibly narcotics), whatever color he (TIMBO) wanted. TIMBO said he (TIMBO) had never worked
 9 with that ("Federico", possibly Fentanyl). TIMBO said he (TIMBO) had never worked ounces of that (kind) (possibly Fentanyl). PIZARRO said that was
 10 what he (PIZARRO) was working with right now, with "Federico" and pills (possibly narcotics). TIMBO said he (TIMBO) was going to ask the lady and
 11 if she (lady) would help him (TIMBO) to get "work"(possibly narcotics) out.

12 III. LAW AND ARGUMENT

13 The defendant should be detained pretrial. First, the United States has established by a
 14 preponderance that the defendant is a risk of flight whose appearance cannot be reasonably assured by
 15 any conditions.³ Pizarro has been deported on multiple occasions and has a recent illegal reentry
 16 conviction. He was even caught talking about a woman who he used to bail individuals, but that
 17 particular person could no longer be used because she had gotten busted (Pizarro stating on a wiretap
 18 that “**he used to have a white girl who took them (workers in jail) out, but [she] had gotten**
 19 **busted**”). This clearly indicates that Pizarro knows how to game the courts.

20 Additionally, the United States has also established that Pizarro is a danger to the community.
 21 His business is dealing drugs and guns and has been doing so since at least August 2021. He deals not
 22 only methamphetamine, but fentanyl, which is especially lethal. In fact, just two milligrams of
 23 fentanyl,⁴ depicted in the following picture, is lethal in most people:

24 ³ Detention is appropriate where a defendant is either a danger to the community or a flight risk;
 25 it is not necessary for the government to prove both. *United States v. Motamedi*, 767 F.2d 1403, 1406
 26 (9th Cir. 1985). A finding that a defendant is a danger to the community must be supported by clear and
 27 convincing evidence, but a finding that a defendant is a flight risk need only be supported by a
 28 preponderance of the evidence. *Id.*

29 Additionally, in this case there is a rebuttable presumption that no condition or combination of
 30 conditions will reasonably assure the appearance of the defendant and the safety of the community
 31 because the Court has already found that there is probable cause to believe that the defendant committed
 32 an offense for which the maximum term of imprisonment in the Controlled Substances Act is ten years’
 33 imprisonment or more. *See* 18 U.S.C. § 3142(e)(3)(A).

Notably, on June 6, 2022, Pizarro was caught with 500+ grams of fentanyl on the day of his arrest (along with guns and other drugs).

Furthermore, as established by the wiretap intercepts, Pizarro continued to deal drugs even as he thought law enforcement might bust him, and he also took steps to thwart law enforcement: he had six phones and said he was cutting off one of his phones because he had used it too much for work. Pizarro also carried firearms, including a Glock with a 30+ round magazine. And, importantly, he admitted he would use those firearms as necessary. In particular (and as stated above), on March 17, 2022, Pizarro was caught on the wiretap talking about how a black man had gotten beaten up. Pizarro said it was too much to put up with that man and “they” asked Pizarro what to do with him. **Pizarro told them to fuck him up, and if there was a problem, Pizarro had a gun (“cuete”) on him.**

that 2 mg of fentanyl is considered a deadly dose and that 4 out of 10 pills DEA tests contain a potentially lethal dose).

1 No condition or combination of conditions can secure Pizarro's appearance as required or protect
2 him from the community. This Court should detain Pizarro on both grounds.
